Sanadon	Being a legislator, I am not a judge. I cannot vote but for confinement. Vinet	Death		
Garnicr	Death	de Chezeau	Confinement and banishment
Giraud	As a legislator I think it most beneficial that Louis should live.		

Le Cher

Foucher	Death	Alasseur	What says history? Caesar was assassinated, and had a successor. The English sacrificed their tyrant, and returned to their chains. Rome banished her kings, and had liberty. I am for banishment.

Salicetti	Death	Andrèe	The punishment for Louis can be no other than that of forfeiture.
Chiappe	Having nothing to do with the application of punishment. I consider only the security of my fellow citizens, which is the supreme law; in a word, I am for detention.	Bansio	I flatter myself that I shall deserve well of my country in voting for detention.
Peraldi	Confinement and banishment	Casabianca	Provisional confinement
		Mottedo	Confinement

Côte d'Or

Bazire	Death	Marcy	The convention may set itself up for a jury; but it can be only to judge the crime, and not the criminal. To pass a definitive judgment upon Louis is, in my opinion, an outrage against the definitive will of the nation. To pronounce sentence of death is an usurpation of the right of the Sovereign. I will not be a judge—I cannot and I ought not to be one. Representatives of the people! You have destroyed the despot; suffer the man to live. Let him drag in captivity a groveling life. You are the depositaries of French honor. Europe has her eyes upon you. Posterity is advancing. It will judge you, and its voice will pass through ages.
Guyton-Morveau	Death		
Prieur	Death

Lambert	That I may not accumulate all functions, I think it is my duty to abstain from pronouncing any juridical punishment.		
Rameau	It is not in your power to give me the quality of judge, which I have not received from the sovereign. Accordingly I do not think myself bound by this monstrous decree.		

Côtes du Nord

Londe	Death	Gondelin	I am not afraid of menaces. I am ready to sacrifice my blood for my country. I vote, according to my conscience, for detention.
Couppé	Of the two punishments proposed to be inflicted on Louis, I choose the mildest, that is detention.	Guyomard	The re-union of all powers characterizes despotism, whether it be in an individual, or in a body of men. It is bad policy to multiply the number of our enemies fourfold, and to lavish the blood of our brethren. Shall we then, by punishing Louis, augment the list of victims still more? I vote for confinement.
Champeaux	My constituents have deputed me to make laws, and not to judge.

		Baraillon,	Provisional confinement

La Dordogne

la Marque	Death	Meynard	My reason tells me that I cannot both make and apply the law; it tells me that I cannot destroy the effect of the law, in order to substitute my own will in its place; it tells me in short, that the blending of powers is too arbitrary for the government of a free people, and that I ought not to vote, but (as a measure of public safety) for provisional confinement.

Lindet, l'Ainè	Death	Le Marechal	That I may not be reproached with having swerved from my mission, and with having set an example of the most monstrous tyranny, I vote for confinement.
Buzot	Death		
Duroy	Death		
Bouillerot	Death		
Lindet, le jeune	Death	Vallée	I am for provisional confinement, and for death in case the French territory be invaded.
Richou	Foreseeing that the death of Louis will be the source of bitter misfortunes, I should regard myself as unworthy the name of citizen, if I voted for his punishment. Confinement and banishment.	Savary	Confinement
		Topsent	Confinement
